

Market Stand Interest Form

Thank you for your interest in Central Market! Central Market strives to maintain a mix of farmer's market vendors, with an emphasis on fresh, locally-produced farm products and specialty products. We believe in the value of competition, but have also put time and resources into researching what Central Market can successfully support, with the interest of each individual standholder and our customers in mind.

As a first step in our process, please provide us with a bit of information about your business concept. If your business idea is a good fit for Central Market, then we will ask for more information.

Our committee meets monthly, but all effort will be made to provide you with a timely response to your concept. Please keep in mind that we are a year-round market which is open Tuesday, Thursday and Saturday, with our core hours being 9am-2pm. With a few exceptions initiated by Management, vendors are expected to conduct business all three Market days.
